BADGER

SWAN

BEE

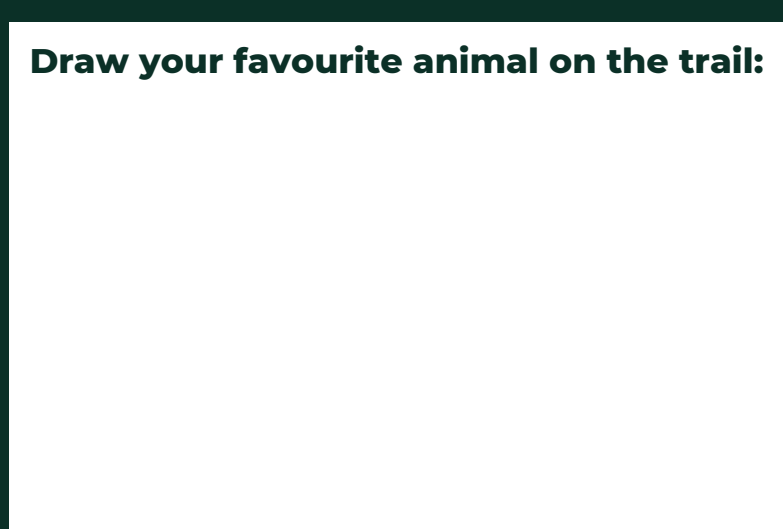

RABBIT

Join The Dots

Draw your favourite animal on the trail:

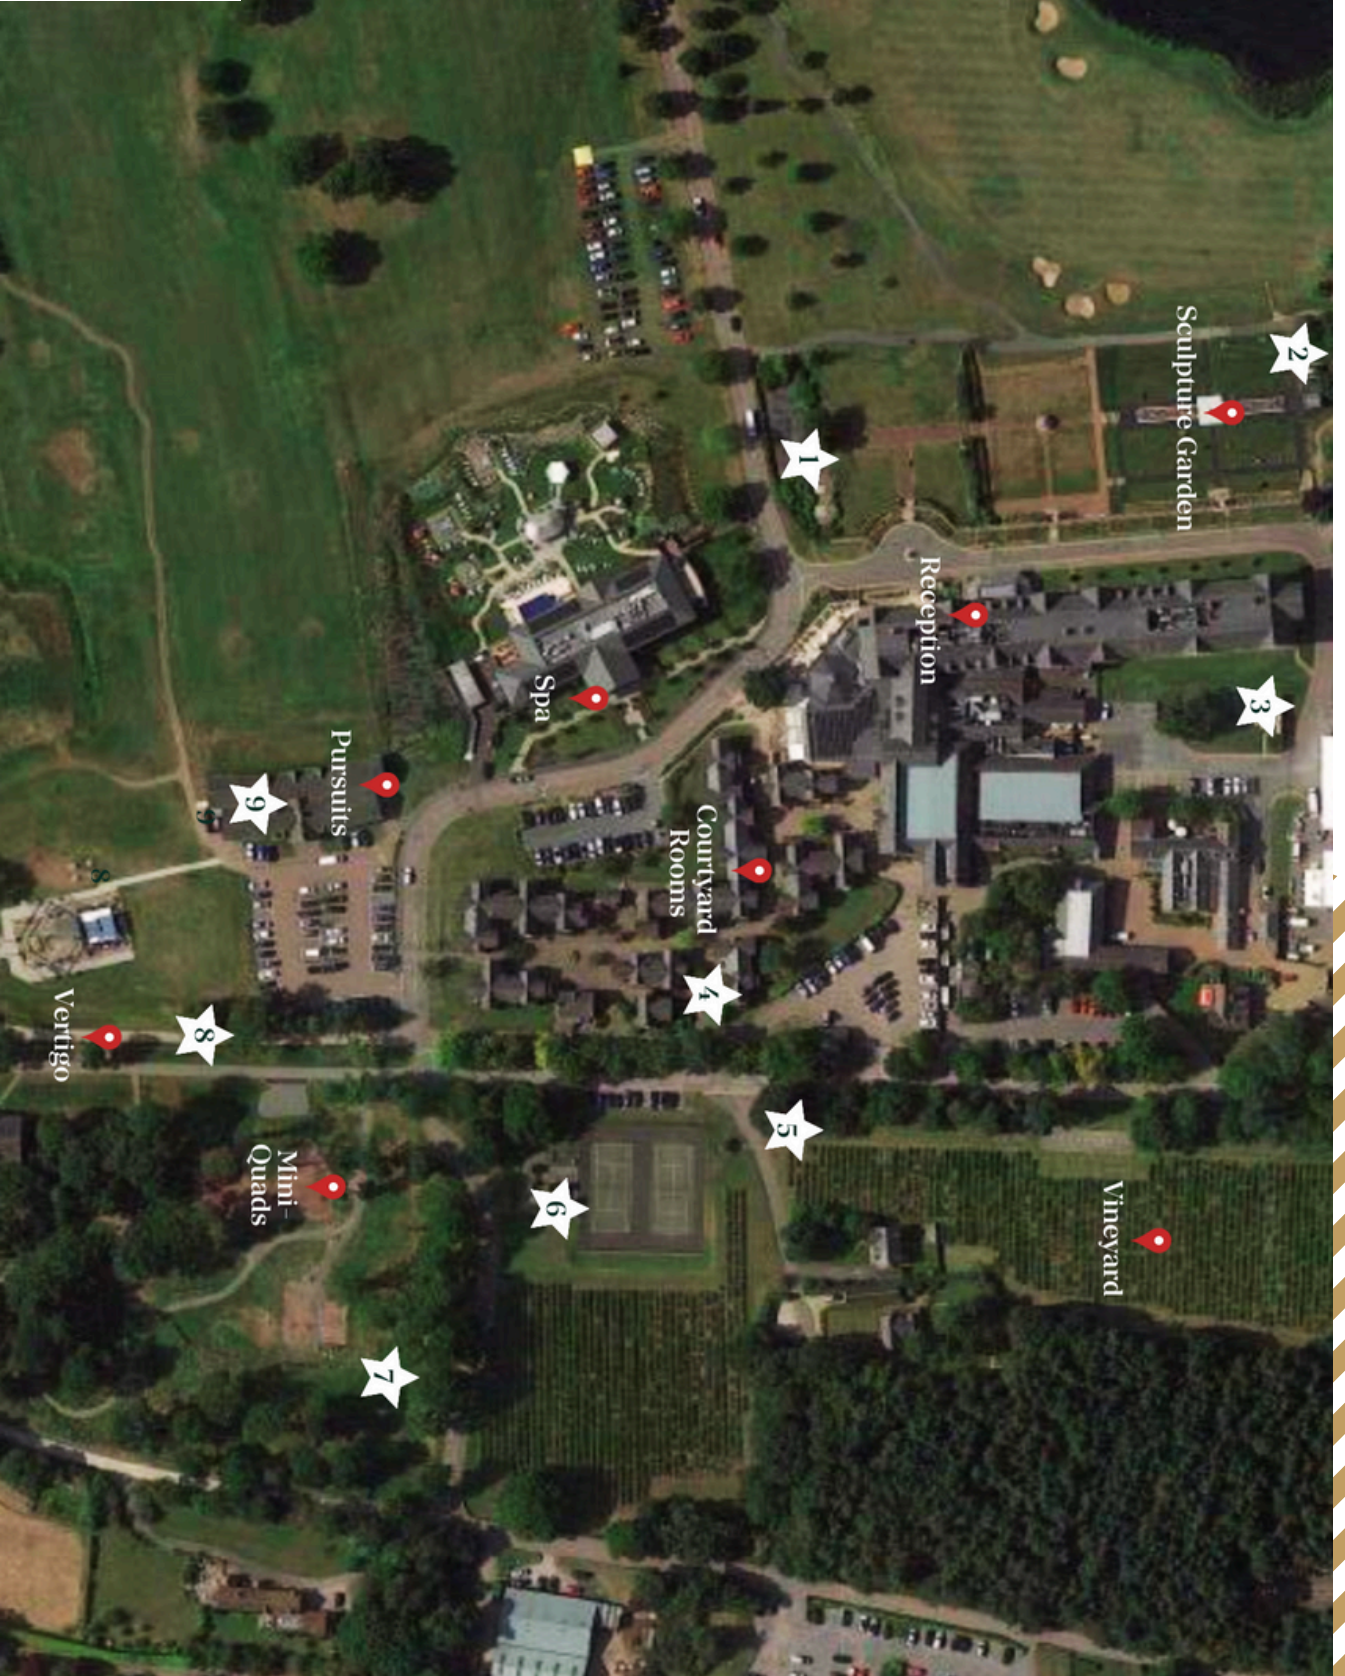

TRAIL MAP

Use the trail map to track down the British Wildlife locations and write the answers on the next page.

Scan the QR code to download free advice, guides and activity packs on how to help wildlife at home from [The Cheshire Wildlife Trust](#)

Flip me this way to view

The red locations are there just to help you, they're not the answers!

Answer the question found at each destination on the trail. The numbers correspond to the map on the previous page. The images are an additional clue too!
